Suggestions:

- Location in the bottom right corner of the space, set as a diagonal as people approach the space.
- The piece could be a rich coloured / tone stone piece.
- Avoid extreme symbolic designs and strong visual ideas – keep themes neutral and classic, as grief is personal.
- Inclusive – this can be a focus place or any who have lost babies, remembering that adults are also buried here.
- Touch stone – people will want to touch this memorial.
- Moderate in size, not overbearing, proportional in scale to the plot.
- Wording should be simple, clear, uncomplicated and accurate.
- A scribed font reflecting handwriting.
