

A butterfly lights beside us

A butterfly lights beside us like a sunbeam,
and for a
brief moment its glory and beauty belong to
our world:
but then it flies again. And though we wish
it could
have stayed, we feel so lucky to have seen it.

*Those we have held in our arms for a little while, we
hold in our hearts forever.*

from The Prophet

When you are sorrowful look again into
your heart, and you shall see that in truth
you are weeping for that which has been
your delight.

Khalil Gibran

I Remember You

The world may never notice
If a rosebud doesn't bloom:
Or even pause to wonder if the petals fall
too soon.

But every life that ever forms,
Or ever comes to be
Touches the World in some small way
For all eternity.

The little ones we longed for
Were swiftly here and gone.
But the love that was then planted
Is a light that still shines on.

And though our arms are empty,
Our hearts know what to do
Every beating of my heart says
"I Remember You"

Always

We think about you always,
we talk about you still,
you have never been forgotten,
and you never will.
We hold you close within our hearts,
and there you will remain,
to walk with us throughout our lives
until we meet again.

Everything Passes And Vanishes

Everything passes and vanishes;
Everything leaves its trace;
And often you see in a footstep
What you could not see in a face.

William Allingham

Only a little while

We were together
Only a little while,
And we believed our love
Would last a thousand years.
